- 1.2. *Wellman* is the owner of the website. The terms of use of the Website are governed by these Terms and are binding on each visitor to the Website (hereinafter - the **Visitor**).
- 1.3. Visiting the Website is considered as proof of approval that the visitor has been familiarized with the Terms and undertakes to use the Website in accordance with these Terms.
- 1.4. *Wellman* has the right to unilaterally amend these Terms at any time, which will come into force after the publication of the new edition of the Terms on the Website.
- 1.5. The website may contain information about *Wellman*, the Group and its companies, its activities, offered services and their terms and conditions. Information about the services does not guarantee their availability. The Website may also include fields in which the Wellman or the Group company operates, news, regulatory enactments, studies, analyzes, etc. information.
- 1.6. The information provided on the Website is informative, except for the information that should be published in accordance with the requirements of the regulatory enactments. *Wellman* is entitled to make unilateral changes at any time, and to remove or supplement the information published on the Website. *Wellman* does not guarantee the accuracy and completeness of the information published on the Website.
- 1.7. *Wellman* or any other person that has published the information on the Website, owns the intellectual property rights, copyrights, trademarks and other proprietary rights in connection with the Website or the information contained therein. Reproduction, distribution, alteration, multiplication or addition of the information contained on the website is prohibited without prior written permission from *Wellman* or the respective copyright holder. In the case of quoting the information contained on the Website, the reference to Wellman or to another person as the copyright holder is compulsory.
- 1.8. *Wellman* has the right to suspend the Website or its separate sections in connection with *Website* maintenance and improvement activities.
